Hailey Van Cott '25
French Language & Literature and Psychology
double major
Minor in Linguistics

Hailey has found the opportunity to explore the intersection of the mind, communication, and the French language – fields that are deeply interdisciplinary – incredibly enriching.

"The French program has given me the opportunity to gain a deeper understanding of the culture, history, and literature that shape the language. It's been an incredibly rewarding journey that has broadened my academic perspective and provided me with tools to connect multiple disciplines in meaningful ways."

Adrianna Mannino '24
BA Italian Studies, BS Marine Science

"Receiving my BA in Italian Studies not only strengthened my language skills but also deepened my connection with relatives in Italy. It's also been invaluable in my current role where I interact with clients worldwide, allowing me to bridge communication gaps, comprehend cultural nuances, and assist with translation."
