VIRTUAL DEGREE CONFERRAL CELEBRATION

STONY BROOK UNIVERSITY

MAY 22, 2020

COMMENCEMENT MESSAGE

To all our graduates,

You have earned a degree from one of the finest universities in the world — one that is a worthy reflection of the diverse society in which you will continue to work and live. In so doing, you join more than 200,000 living alumni around the globe.

You have completed your studies under the most difficult and extraordinary of conditions. With your Commencement, you now encounter circumstances that are as uncertain as they are challenging. Nevertheless, in whatever you choose to do, you are as capable as ever of making a real difference.

Always remember your University as the equivalent of a second home. The entire Stony Brook family will support and celebrate your continued success in the months and years ahead.

My hearty congratulations to the Class of 2020.

A handwritten signature in black ink, reading "MA Bernstein". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
