SIXTY-FIRST

COMMENCEMENT

STONY BROOK UNIVERSITY
MAY 19 • MAY 20 • MAY 21
2021
Dear Graduates,

I want to extend my profound congratulations to the Class of 2021. In a year like no other — one that will go down in history for its unparalleled challenges — you have persevered, adapted, grown and succeeded. The sense of renewal and hope that accompanies your graduating class is felt all around the world, and I am honored to be able to celebrate your commencement in person.

Undoubtedly, the Class of 2021 will be remembered for its demonstration of resilience, integrity and innovation. Certainly I will always remember this spring’s unique ceremony — our first major in-person event in more than a year, held through 10 individual ceremonies, each as historic as the next.

Although you will be graduating into especially exceptional times, the depth of your accomplishment is evergreen: You have earned a degree from one of the finest universities in the world — an institution renowned for its significant contributions to the advancement of science; ingenuity in the arts, humanities and critical thought; steadfast commitment to local communities; and unwavering dedication to diversity, equity and inclusion. Our country and our world are at a critical moment, standing on the precipice of our collective future, and you are a part of the next generation of leaders who will determine where we go from here. I know that you will be equal to this task, and look forward to watching all of you move forward in your chosen fields and studies with the same grace, grit and determination you have shown during your time at Stony Brook.

I hope you continue to be proud of what you have achieved in earning this degree and the way you worked to foster an environment of care, respect and civility even in the most difficult times.

As you join our more than 200,000 alumni from around the globe, we hope you, like them, will consider Stony Brook University a continuing resource and second home. According to myth, the Seawolf brings good luck to anyone who has the chance to spot it. And I can feel the luck with us today, ushering you into this exciting next chapter of your lives.

Congratulations!

Maurie McInnis
President
To the Stony Brook University Graduating Class of 2021:

Living through a pandemic is likely not how you expected to finish your last semesters at Stony Brook, nor how you expected to start your life after college. Major milestone celebrations over the past 13 months have been postponed, cancelled or modified, including commencements. I know this is not the ideal outcome after years of hard work and studying, but this does not diminish your tremendous accomplishment. Despite all the challenges thrown at you and having your senior year of college unceremoniously turned upside down, you persevered to earn your degree.

We are all so proud of the Class of 2021 — the persistence, determination and grit you have shown to complete your studies amidst a number of obstacles is exemplary. We are thrilled that you are now able to celebrate your graduation with the traditional, in-person pomp and circumstance it so rightfully deserves.

As you look toward the future, know your SUNY education has prepared you to succeed in whatever you put your mind to — whether it be furthering your education or joining the workforce. The 2021 Seawolves will continue the SUNY legacy of changing the world no matter where you go, and I look forward to seeing all that you accomplish.

On behalf of everyone at SUNY, I extend my heartfelt congratulations to you and your fellow 2021 graduates. You make us proud.

Sincerely,

Jim Malatras
Chancellor

STONY BROOK ALMA MATER

Music: Peter Winkler
Lyrics: Winston Clark

Sandy shore meeting the Northern sea Ancient

ground where newborn dreams arise Scarlet, gray, under azure

skies The morning of a lifetime lies in Stony Brook

Raise a grateful cheer for Stony Brook

Youthful joys, youthful folly, too Ancient wisdom

seen through youthful eyes. Life-long friends bound by youthful

ties The morning of a lifetime lies in Stony Brook

Raise a grateful cheer for Stony Brook!
