

REMEMBER TO DOWNLOAD THE GET MOBILE APP!

To minimize risks of transmission and follow social distancing guidelines, Campus Dining will **NOT be swiping your student ID cards.**

Instead, you will scan your student ID at the cashier station from your mobile device using the GET App. Please have your student ID available as backup.

Get started with the GET App:

- Download the FREE GET Mobile app via the **Apple app** store or **Google Play**.
- Select Stony Brook University, **sign in with your NETID and password** and then follow the prompts to set up your account.
- Remember to connect to Wolfie-Net Secure to access the campus wifi.
- If you do not have a mobile device or lost your ID card, let us know by emailing us at: **mealplan@stonybrook.edu**.
