

MARK R. MONTGOMERY

November 8, 2019

Personal Information

Citizenship US

Social Security Number 147-46-2478

Date of Birth July 2, 1953

Place of Birth Kansas City, Missouri, USA

Addresses

Home Apt. 2A, 121 St. Nicholas Avenue, New York, NY 10026; telephone (212) 663-2049

Department of Economics Stony Brook University, Stony Brook, NY 11794; email mark.montgomery@stonybrook.edu

Poverty, Gender, and Youth Program Population Council, One Dag Hammarskjold Plaza, New York, New York 10017; telephone (212) 339-0673; fax (212) 755-6052; email mmontgomery@popcouncil.org

Positions Held

1999– Senior Associate, The Population Council

1999– Professor, Department of Economics, Stony Brook University, New York

1993–98 Research Associate, Policy Research Division, The Population Council

1995–96 Acting Chair, Department of Economics, State University of New York, Stony Brook

1992–98 Associate Professor, Department of Economics, State University of New York, Stony Brook

1988–92 Assistant Professor, Department of Economics, State University of New York, Stony Brook.

1988–89 Rockefeller Foundation Senior Fellow, Department of Geography and Planning, University of Lagos, Lagos, Nigeria.

1982–88 Assistant Professor, Department of Economics, and Faculty Associate, Office of Population Research, Princeton University.

Education

1982 Ph.D., Economics, University of Michigan, Ann Arbor.

1975 B.A. in Economics, summa cum laude, University of North Carolina, Chapel Hill.

Professional Activities

1984, 1991 National Institutes of Health Special Projects Review Board, Population Study Section.

1987–90 Dorothy S. Thomas Award Committee, Population Association of America.

1990 Member, Needs Assessment Team in Population and Family Planning. Population, Health and Nutrition Technical Division, The World Bank.

1990–93 Member, Panel on the Population Dynamics of Sub-Saharan Africa, Working Group on Factors Affecting Contraceptive Use. Committee on Population, National Research Council, National Academy of Sciences.

1991–97 Member, Scientific Advisory Panel, Alan Guttmacher Institute.

1992–95 Member, Fellowship Committee, The Population Council.

1990–93 Organizer (with J. Klerman and W. Sanderson) of Economic Demography Seminar held in conjunction with the Annual Meetings of the Population Association of America.

1993–96 Member and Chair, Mindel Sheps Award Committee, Population Association of America.

1993–95 Member, Panel on The Role of Planned Childbearing in the Health and Welfare of Children, Women and Families. National Institute of Medicine, National Academy of Sciences.

1994–97 Member, Panel on Reproductive Health, National Academy of Sciences.

1993–99 Member, Committee on Population, National Academy of Sciences.

1995 Organizer (with B. Cohen), National Academy of Sciences Workshop, "Re-evaluating the Link Between Infant and Child Mortality and Fertility," November.

1995–96 Co-organizer (with C. Bledsoe, J. Casterline), National Academy of Sciences Workshop, "Education and Fertility in the Developing World," Washington D.C., February.

- 1998–99 Member, Steering Committee, “Cairo in Action” project, Population Reference Bureau.
- 1997–98 Co-organizer (with J. Casterline), National Academy of Sciences Workshop, “Social Processes Underlying Fertility Change in Developing Countries,” Washington D.C., January.
- 1999–2002 Member, Advisory Board on the Demography Program, The Mellon Foundation.
- 1999–2003 Co-Chair (with Richard Stren), Panel on Urban Population Dynamics, Committee on Population, The National Academy of Sciences.
- 2003–2007 Chair, Scientific Panel on Urbanization, International Union for the Scientific Study of Population.
- 2005–10 Member, Board of Directors of the African Population and Health Research Centre, Nairobi, Kenya
- 2008– Member, Advisory Board, Urban Health Resource Centre, New Delhi, India.
- 2008–18 Member, Editorial Board, *Journal of Urban Health*
- 2009–2010 Chair, Epidemiology and Population Sciences (EPS) Integrated Review Group ZRG1 EPS-C 90, Center for Scientific Review, National Institutes of Health.
- 2009–2013 Member, User Working Group, NASA Socioeconomic Data and Applications Center (SEDAC), Center for Integrated Earth Science Information Network (CIESIN), Earth Institute, Columbia University.
- 2009–11 Member, Roundtable for Urban Living Environment Research (RULER) on urban health metrics and methods, supported by the Rockefeller Foundation.
- 2011–15 Member, Population Sciences Subcommittee Initial Review Group, National Institute of Child Health and Human Development (NICHD), National Institutes of Health.
- 2011– Member, Scientific Advisory Board, Wittgenstein Center for Demography and Global Human Capital, Vienna, Austria.
- 2012–13 Member, PURSUIT 2012T1-005, “Where Cities Get Their Water,” National Socio-Environmental Synthesis Center (SESYNC) working group, supported by the National Science Foundation.
- 2012–14 Member, Advisory Board, Integrated Demographic and Health Series Project (I-DHS), Minnesota Population Center.
- 2012–13 Session Organizer for 2013 Meetings, International Union for the Scientific Study of Population.
- 2014 Steering Committee Member, Scenarios and Interpretive Science Working Group of the U.S. Global Change Research Program (USGCRP).
- 2015–16 2015–16 Organizer, chair, and discussant for Population Association of America annual meetings, sessions on “Migration Responses to Climate Extremes” and “Extreme Event Risk Perceptions and Consequences” (Washington, DC: 1–2 April 2016).
- 2016–19 Member, Robert J. Lapham Award Committee, Population Association of America
- 2018 Member, Program Committee, 2019 Population Association of America Meetings.
- 2018–21 Member, IUSSP Panel on Family Planning for Urban Development.
- 2019 Member, Program Committee, 2019 Interdisciplinary Association of Population Health Science (IAPHS) Meetings.
- 2019– Editorial Board Member, *Urban Sustainability* (a Partner Journal of *Nature Research*)
- 2020–21 Lead Organizer of Program Committee, Urbanization, 2021 Meetings of the International Union for the Scientific Study of Population.

Other Service to Professional Organizations: Discussant for PAA annual meetings session “The Heat Is On: Impacts of Heat on Early-Life Outcomes” (Chicago: 28 April 2017). Co-organizer (with Jessie Pinchoff, Deborah Balk, and others) of the 2018–19 New York-area seminar series “Population Dynamics and Environmental Change,” co-hosted by the Population Council, CIDR, CIESIN, and the United Nations Population Division.

Reviewer (during 2015–19) for *Demography*; *Population Studies*; *Population and Development Review*; *World Development*; *PNAS* (Guest Editor); *PLOS*; *Nature Sustainability*; *Environmental Research Letters*; *Population and Environment*; *Environment & Urbanization*; *Remote Sensing of Environment*; *Journal of Urban Health*; *International Health*; *Health and Place*; *Population, Space, and Place*; *Malaria Journal*; *Social Networks*; *Population Research and Policy Review*; *Global Policy*; *Sapiens*; *Conflict Management and Peace Science*; the *Journal of African Economies*; *Science of the Total Environment*.

Honors and Research Awards

- 1977 National Institutes of Health Economic Demography Training Grant, Population Studies Center, University of Michigan.
- 1983–84 Female First Marriage in Southeast Asia, NICHD research award, \$60,500.
- 1985–86 First Marriage and Husband’s Schooling in East and Southeast Asia, NICHD research award, \$78,500.
- 1989–90 The Demographic Implications of Structural Adjustment in Nigeria, with Olukunle Adegbola, Felicia Oyekanmi and Gloria Jinadu, University of Lagos. Ford Foundation research award, \$48,900.
- 1990–93 “The Diffusion of Fertility Control in Costa Rica and Taiwan,” with John Casterline (co-principal investigator), Roger Avery and Luis Rosero-Bixby. NICHD research award, \$550,000.
- 1991–92 “The Quantity-Quality Tradeoff in Côte d’Ivoire.” World Bank Research Committee award, \$11,000.
- 1994–95 “Social Structure and the Diffusion of Fertility Control in Ghana,” with John Casterline (Population Council), Dominic Agyeman and Peter Aglobitse (University of Cape Coast, Ghana), Rockefeller Foundation research award, \$120,000.
- 1995–98 “Interrelationships Between Fertility and Investments in Children: New Research Frontiers,” with Cynthia Lloyd (Population Council), Rockefeller Foundation research grant to the Population Council, \$800,000.
- 1997–2000 “The Implications of Excess Fertility and Unintended Births for Children’s Schooling,” Futures Group research award, under the “Policy Project,” to the Population Council, \$226,000.
- 1997–2002 “Social Learning, Social Influence and the Diffusion of Fertility Control,” with John Casterline and James Phillips (Population Council), National Institute of Child Health and Human Development research award, \$1,500,000.
- 2007–2009 “Revitalizing Urban Population Projections,” with Deborah Balk (Baruch College), National Institute of Child Health and Human Development research award, \$366,000.
- 2009–2011 “Urban Health in Developing Countries: Knowledge Gaps and Intervention Design,” Rockefeller Foundation research award, \$200,000.
- 2011–2013 “Adolescent Migration,” Better World Foundation (Nike Foundation and the UN Foundation) research award, \$700,000.
- 2014–18 “Multi-scale processes determining spatial population distribution,” National Science Foundation (Deborah Balk, PI).
- 2015–17 “Estimating city growth, urbanization and climate-related risks in the 21st century,” AXA (Deborah Balk, PI).
- 2018–20 “Integrating 30 Years of Settlement-Level Census Data for India,” NICHD (Montgomery, PI).

Teaching and Graduate Advising

Ph.D level: Population and Development, Applied Econometrics, Mathematical Statistics, Advanced Econometrics, Introduction to Mathematical Economics. *Undergraduate level:* Introduction to Population Problems, Intermediate Microeconomics, Economic Development, Mathematical Statistics.

Service as Ph.D committee chair since 2000 for: Yijiao Liu (2019); Deniz Sumengen (2016); Tamara Gurevitch (2016); Donghwan Kim (2011); Tracy-Ann Henry (2003); Rania Roushdy (2003); and Cem Mete (2000).

Recent Presentations

2008. “The health of urban populations in developing countries.” Paper presented to the United Nations Expert Group Meeting on Population Distribution, Urbanization, Internal Migration and Development. Population Division, Department of Economic and Social Affairs, United Nations. New York: January 21–23.
2008. “What can demographers contribute to urban remote sensing?” Paper presented to the Institute for the Protection and Security of the Citizen, Joint Research Center, European Commission. Ispra, Italy: January 28.
2008. “The health of urban populations in low- and middle-income countries,” keynote address, Forty-First Session of the Commission on Population and Development, United Nations, New York, April 8.
2009. “An urban century lies ahead: Demographic change and its implications for health.” Presented to the aids2031 Science and Technology Working Group. Washington, DC: April 16.
2009. “Climate change and urban adaptation.” Johns Hopkins/Population Reference Bureau Symposium. Washington, DC: May 17.
2009. “Mapping the risks of climate change in developing country cities.” Paper presented at the 2009 Global Health Council meetings, Washington, DC: May 27.
2009. “Mapping the risks of climate change in developing countries.” Paper presented at the World Bank’s 2009 Urban Research Symposium, *Cities and Climate Change: Responding to an Urgent Agenda*, Marseille, France: June 28–30.

2009. "Revitalizing Urban Population Projections: New Data, New Methods." Presented to the Environmental Change and Security Program of the Woodrow Wilson International Center for Scholars, Washington, DC: August 26.

2009. "Coping with Climate Change: Urban Adaptation Needs in Poor Countries." Presented to the *Population Dynamics and Climate Change* side event organized by the UNFPA for the *High-level Event on Climate Change*, New York: September 16.

2009. "Forecasting Urban Population Growth in Developing Countries." Presented to the meetings of the International Union for the Scientific Study of Population, Marrakech, Morocco: September 30.

2009. "Does Climate Change Threaten Our Cities?" Moderated e-discussion for the Population Reference Bureau, October 30. Transcript available at <http://discuss.prb.org/content/interview/detail/3881/>.

2010. "City Growth in Poor Countries: Urban Dwellers Face Climate-Related Risks." Briefing for U.S. Congressional Staff, delivered on behalf of the Population Association of America, "Hot Times in the City: The Impact of Climate Change in an Increasingly Urban World," Dirksen Senate Office Building, Washington DC, April 9.

2012–13. Presentations of results from *Girls on the Move* on the urban migration of adolescent girls: British Society for Population Studies meetings, Nottingham UK (September 12); University of Minnesota Population Center seminar (October 15); Save the Children, Washington (November 13); United Nations Expert Group Meeting on "New Trends in Migration: Demographic Aspects" (December 3); Population Association of America Annual Meetings (New Orleans, April 11-13, 2013); and IUSSP International Population Conference (Busan, Korea, 26–31 August 2013).

2013. Presentation of "Urbanization and climate change hazards in Asia", to Population Association of America Annual Meetings (New Orleans, April 11-13, 2013), and IUSSP International Population Conference (Busan, Korea, 26–31 August 2013).

2015. Presentation on "Integrating Population Issues into Sustainable Development" in plenary session of the UN's Commission on Population and Development Forty-eighth Annual Meeting, April 15.

2015. Presentation of "Global urbanization today," keynote address to First Urbanization Workshop, European Commission Joint Research Centre (Ispra, Italy, 27–29 May).

2015. Presentation of "Analytical use of multiple data sources," to United Nations Expert Group Meeting on Strengthening the Demographic Evidence Base for the Post-2015 Development Agenda (New York, 5-6 October)

2016. Presentation of "Small and intermediate-size cities in poor countries," in session "Mapping Secondary Cities for Resiliency and Emergency Preparedness," Association of American Geographers meetings (San Francisco, 30 March).

2016. Presentation of "Secondary Cities in Low-Income Asia: Demography and Risk," in "Dynamic Mapping of Secondary Cities Symposium," sponsored by Office of the Geographer, Humanitarian Information Unit, U.S. Department of State, with Department of Ecosystem Science and Sustainability, Colorado State University (Boston, 14–15 June).

2016. Presentation of "Models and Spatial Data for a Sustainable and Resilient Urban Future" in "Symposium on Remotely-Sensed Measurement for a Resilient and Sustainable Urban Future", Penn Institute for Urban Research and USGS (Philadelphia, 15 September)

2017. Presentation of "Extreme-event Risks in Latin America: Lessons from DesInventar", 2017 annual meetings of the Population Association of America, Chicago, April 28; and seminar at University of Chicago Population Studies Center, May 25.

2018. Presentation of "Extreme-event Disasters in Poor Countries: Lessons from DesInventar", 2018 annual meetings of the Population Association of America, Denver, April 27.

2018. Presentation of "High-Risk Urbanization: Variation in Urban Population Growth across Flood and Drought-Prone Regions of India, 1990–2014" with Jessie Pinchoff (lead author) and Deborah Balk, 2018 annual meetings of the Population Association of America, Denver, April 27.

2019. Presentation of "In Situ Urbanization in India: Evidence from 30 Years of Settlement-Level Census Data", with Deborah Balk, 2019 annual meetings of the Population Association of America, Austin, April 10–13.

2019. Presentation of “Spatial-temporal variation in population and household infrastructure exposed to urban flood risks in India, 2000-2014”, with Jessie Pinchoff (lead author) and Deborah Balk, 2019 annual meetings of the Population Association of America, Austin, April 10–13.

2020 (forthcoming). Presentation of “Does Urban Expansion Threaten Biodiversity? Evidence from India”, with Erica Chuang, 2020 annual meetings of the Population Association of America, Washington DC, April 10–13.
