#### **Participate in the Faculty Emeritus Documentation Project**

The 2017-2018 academic year is a milestone in Stony Brook University history, as it marks the 60th anniversary of the institution. In an effort to document and preserve the unique and varied experiences of the university's emeritus faculty, a questionnaire has been designed to elicit the personal reflections of faculty members':

- impetuses for accepting academic positions at Stony Brook University.
- early experiences on the campus.
- views on the evolution and growth of the institution.
- contributions to departments and to the university.
- interactions with academic and administrative leadership.

- views on the institution's role in the community (local and wider).
- assessments of the university's mission and successes as a research university.

**Your participation is vital to documenting Stony Brook University history.**
