FSA Commitment to Sustainability

- **Over 25 articles published** showing our leadership role in creating and implementing campus dining sustainable efforts.

- **Hosted webinars** for the College and University Recycling Coalition (CURC) and the Association for the Advancement of Sustainability in Higher Education (ASSHE) offering advice to other colleges and universities across the nation.

- Recognized for **reducing plastic waste, food waste reduction, behind-the-scenes farm and fair trade coffee roasting tours, pop up events, permaculture gardens and more!**
Safe Dining

- Ensuring your safety by adhering to the strongest safety measures including:
  - additional sanitation and disinfecting practices
  - enhanced hand-washing protocols
  - use of gloves and facial protection for our employees
  - Contactless payment options

- To allow for physical distancing, the seating capacity at the dining halls will be reduced and all meals will be prepared as takeout. Overflow seating will be available at other locations. All seating will be 1 person per 6ft.

- Masks are required to enter dining facilities and should be worn at all times except while eating.

- Campus Dining is prepared to offer quarantine food service support.

SEAWOLVES GUIDELINES FOR SAFE DINING

- Wear a mask or face covering.
- Sanitize your hands upon entering.
- Stand on floor marks to ensure physical distancing.
- Use the GET app for contactless payment. Cash is not accepted.
- View dining menus on the Nutrislice app before heading to locations.
- Seating is limited.
