## Leave of Absence

Leaves are granted for a maximum of one year at a time, renewable upon request for the second year. In order to request a leave, the student must be currently registered or registered during the previous semester; students who are admitted but never registered are not eligible for leaves. Part-time students may request to go on an official leave of absence for up to one year (two semesters: Fall and Spring) of no enrollment. Leaves of absence are processed on the date in which they are received at the Graduate School and subject to the registration and tuition liability deadlines outlined on the [Academic Calendar](#).

Students planning to return from leaves of absence are required to complete a readmission request form and should submit it to their departments three months in advance of the enrollment. All students should be aware that if they take a leave of absence they are stating that they will not be doing any work towards their degree or consulting with faculty, and that they will lose student status privileges and may be required to pay back student loans. **International Students:** you must speak to an International Student Advisor to discuss your immigration status before taking a leave of absence. Approval of an academic leave by the Graduate School does not excuse the U.S. Immigration requirement for full-time registration for each semester. By signing below, you certify that you understand the implications of this leave of absence on your immigration status in the United States.
