Extracurricular Involvement

On a separate page (preferably via resume), please list all activities or clubs that you have participated in both at Stony Brook and in high school (noting all leadership positions), as well as any competitions in which you have participated and other pertinent information about your hobbies, talents, travel, volunteer work, and employment.

Essays

Please answer the following two prompts in approximately two pages each (typed, double-spaced). Make certain your name is on the top of each page.

1. Tell us, in detail, why you would like to become a member of the Honors College and what you can contribute.
2. Tell us, in detail, about an intellectual experience that has mattered to you.
