The student whose name appears on this form is applying for transfer admission to the State University of New York, Educational Opportunity Program at Stony Brook University. In general, transfer admission is available for students who previously participated in a New York State Opportunity Program (Educational Opportunity Program (EOP), Higher Educational Opportunity Program (HEOP) and, Search for Elevation Education and Knowledge/College Discovery (SEEK/CD). Please note that previous program participation and meeting the eligibility criteria do not guarantee admission. Capacity, institutional fit, and overall performance will be considered in the application review process.

Though the transfer option is intended primarily for students who began their college studies in a New York State Opportunity Program, there are specific circumstances in which a student who is not in such a program may be accepted as a transfer.
