New SBU Students who created their netID password in Solar today have to wait to log into the housing portal until tomorrow after 9am. Contact reside@stonybrook.edu if you have questions.

4. Complete the new student application by clicking on “New Student” (Image #1 below) and complete all steps until your screen looks like Image #2. This will be your last screen.

5. Campus Residences will use your application profile to assign you a room. You will NOT be able to choose your own room.

6. About a week prior to your arrival, you can look up your room assignment in the portal by going to “Assignment Confirmation” (see example below).
