

Summer Undergraduate and Graduate Course Registrations

About these data: These data count registrations in courses as of the end of term snapshot. Other activity may occur after snapshot, including late enrollments and withdraws. This additional activity is not accounted for in these official course registration counts. **In this report, credit hours follow the subject department of the section that the student enrolled in when dealing with combined sections.** This report includes courses offered at West Campus, East Campus, Southampton, Manhattan, Online and Distance Education locations. Advanced College Education (ACE) program registrations, Non-credit activity, and enrollments at SUNY Korea are not captured in this report. **This table excludes courses taken by medical and dental students.**

Summer Undergraduate and Graduate Course Registrations

About these data: These data count registrations in courses as of the end of term snapshot. Other activity may occur after snapshot, including late enrollments and withdraws. This additional activity is not accounted for in these official course registration counts. **In this report, credit hours follow the subject department of the section that the student enrolled in when dealing with combined sections.** This report includes courses offered at West Campus, East Campus, Southampton, Manhattan, Online and Distance Education locations. Advanced College Education (ACE) program registrations, Non-credit activity, and enrollments at SUNY Korea are not captured in this report. **This table excludes courses taken by medical and dental students.**

Summer Undergraduate and Graduate Course Registrations

About these data: These data count registrations in courses as of the end of term snapshot. Other activity may occur after snapshot, including late enrollments and withdraws. This additional activity is not accounted for in these official course registration counts. **In this report, credit hours follow the subject department of the section that the student enrolled in when dealing with combined sections.** This report includes courses offered at West Campus, East Campus, Southampton, Manhattan, Online and Distance Education locations. Advanced College Education (ACE) program registrations, Non-credit activity, and enrollments at SUNY Korea are not captured in this report. **This table excludes courses taken by medical and dental students.**

About these data: These data count registrations in courses as of the end of term snapshot. Other activity may occur after snapshot, including late enrollments and withdraws. This additional activity is not accounted for in these official course registration counts. **In this report, credit hours follow the subject department of the section that the student enrolled in when dealing with combined sections.** This report includes courses offered at West Campus, East Campus, Southampton, Manhattan, Online and Distance Education locations. Advanced College Education (ACE) program registrations, Non-credit activity, and enrollments at SUNY Korea are not captured in this report. **This table excludes courses taken by medical and dental students.**
