Geographic origin values are assigned based on a student's earlier home address for a given academic career. These data do **not** reflect a student's tuition residency. Counts are from the Day 15 snapshot of fall enrollment and should be considered preliminary, pending final audit. Enrollments are counted following requirements established by the U. S. Dept. of Education for reporting to the Integrated Postsecondary Data System (IPEDS). Nonresident alien: A person who is not a citizen or national of the United States and who is in this country on a visa or temporary basis and does not have the right to remain indefinitely.
