Counts follow reporting standards for the Integrated Postsecondary Education Data System (IPEDS) except as described below and include employees on the institution's payroll as of Nov. 1. Counts include employees with faculty status whose primary occupation is instruction, research, public service or a combination thereof. Administrators and librarians with faculty status are not included. Staff members who teach but with primary occupations in other areas are not included. Medical faculty include those whose primary job is housed in the Medical School and faculty titles in the Long Island Veterans Home. Total counts 2006-2016 restated to match administrative data and will reflect small variances from IPEDS; fall 2017 and later total counts reflect those reported to IPEDS.

Full-Time Equivalency calculated as 1 FT = FTE, 1 PT = 1/3 FTE.
