The following COVID-19 protocol guidelines are based on the Governor’s Office of Employee Relations’ (GOER’s) Revised Guidance for State Agencies and Authorities during the COVID-19 Public Health Emergency, released June 18. “Fully vaccinated individuals” means those who have submitted their full vaccination status to HR.

Physical Distancing

- Fully vaccinated individuals do not need to be physically distanced, indoors or out.
- Individuals who are unvaccinated and/or whose vaccination status is unknown need to continue to maintain six feet of distance, in accordance with CDC guidelines.
- Masks
  - Fully vaccinated individuals do not need to wear masks, indoors or out.
  - Unvaccinated/unknown vaccination status individuals need to wear masks, in accordance with federal CDC guidelines.
  - Unvaccinated/unknown vaccination status individuals may remove their mask indoors while physically distanced, seated and/or eating/drinking, or while working at their workstation.
  - Unvaccinated/unknown individuals may remove their mask outdoors unless they are in a gathering or crowded event where they are unable to maintain six feet of physical distancing.
