Language & Social Justice

WORKSHOP 2

Transcending Language Bias: Practical Exercises For Educators

February 26, 2021 @3.30-5.00pm

Facilitators: Laura Lisabeth & Shyam Sharma

This workshop focuses on student language identities and the nature of teacher responses to student writing. How can teachers make room within the context of their courses for students to invoke their language identities in “as limited or broad a range” as they would like?
