Greetings!

We hope you enjoyed some of the links to the virtual activities from our first issue of **OLLI THINGS TO DO AT HOME during COVID-19**. This is ISSUE #2 and we have included some new links to very helpful resources and other interesting and entertaining activities for everyone.

If you are looking for anything specific that you would like to see included in this newsletter or if you would like to share another site with other OLLI members, please send an e-mail to Liz Wilson at: elizabeth.wilson@stonybrook.edu

### LONG ISLAND DELIVERY & CURBSIDE OPTIONS

We have compiled a list of Long Island delivery services, grocery stores, markets, restaurants, liquor stores, breweries and vineyards that will either deliver, ship or offer curbside pick-up during COVID-19. Many on the list do not have delivery fees depending on proximity to establishment. Let's support our local stores and businesses (especially the small mom & pop shops)by patronizing them during this difficult time.
