OLLI at SBU's membership has fallen below the required minimum level

Osher Lifelong Learning Institutes are expected to continue to meet or exceed each of The Bernard Osher Foundation's funding criteria after endowment.

One of the requirements is that OLLI at SBU maintain a membership of 1,000+ unduplicated dues paying members.

- In the 2020-2021 Fiscal Year OLLI at SBU had 837 unduplicated dues paying members.
- Presently, in the 2021-2022 Fiscal Year (as of 4/1/22) OLLI at SBU has 598 unduplicated dues paying members.

Due to OLLI at SBU not presently meeting the endowment funding criteria, The Bernard Osher Foundation has requested that a recovery plan be submitted. The goal of the recovery plan is to outline how OLLI at SBU intends to meet the criteria in the coming year and more.

Given the ongoing pandemic environment and the uncertainty of plans to return to in person programming as variants and regional Covid surges persist, The Bernard Osher Foundation acknowledges the dampening effect these challenging circumstances may continue to have on OLLI staff and volunteers, along with membership levels.

The School of Professional Development & the OLLI at SBU Strategic Planning Committee have worked collaboratively to create a plan for the coming year.

Please click the buttons below to review OLLI at SBU’s funding criteria as well as the Recovery Plan Submitted to The Bernard Osher Foundation on 3/25/22.
We encourage you to reach out to friends and family and spread the word about joining OLLI! Let's get OLLI at SBU back in good standing this Fall!

If you have any questions regarding OLLI's funding criteria, the submission of the recovery plan to Osher, or ideas for how to increase membership please contact Breanne Delligatti, OLLI at SBU Program Director.

A MATTER OF BALANCE

Looking for Volunteer Coaches
Chances are you know someone who has fallen or who is afraid of falling. A Matter of Balance is a proven program designed to help people manage concerns about falls and increase physical activity. Stony Brook Trauma Center is looking for volunteers to help provide this program.

Coaches help participants become more confident about managing falls, help to identify ways to reduce falls, and lead exercises to help increase strength and balance. Workshops are held in community locations (i.e. libraries, senior centers).

What do you need to be a coach?
- Good communication and interpersonal skills
- Enthusiasm, dependability & a willingness to lead small groups of older adults
- Ability to lead low to moderate level exercise

For more information about coach training, please contact Kristi L. Ladowski: Kristi.Ladowski@stonybrookmedicine.edu
