

**STONY BROOK
UNIVERSITY**

Parking Information: Spring 2020

All OLLI members must purchase an OLLI hang tag to park in the OLLI metered lots and the Faculty/Staff lots on the specified days below.

The 3 available options for parking on the Stony Brook University Campus are as follows:

1. **The OLLI hang tag** allows you to park in specially designated lots as an OLLI member. All cars that are parked in campus lots require the appropriate hang tag. Members who park on campus without a hang tag **or** without paying a meter fee will be ticketed.
2. **Pay to Park** in a *metered lot* (hourly) or in the *administration garage*. For other information including hourly and long-term rates please visit the University's [Parking Garage web page](#).
3. **Park using a Disabled Parking Permit** issued through your town, county and state agency.

We encourage all of our members to carpool if possible, as it is a wonderful way to spend time together and utilize fewer parking spaces on campus.
