SBU GIVING DAY IS WEDNESDAY, APRIL 21, 2021

Every year members of the SBU community raise money to support the University’s mission and goals.

Over the years, OLLI has expanded dramatically — both in size and scope — and this growth, along with the unforeseen complications of the COVID-19 pandemic, requires additional resources to enhance our existing programs as well as to develop new ones. Financial support from members as well as private donors furthers the Institute’s goal of sustaining a vibrant learning community for mature adults.

If you believe that OLLI has added enjoyment to your retirement, if its workshops and activities have stimulated your thinking and introduced you to new friends, or if you are someone who understands the value of programs for lifelong learners, please make a contribution to ensure OLLI’s bright future.
