Transfer Success Workshops

Each workshop will be offered at 10:00 am to 10:45 am and 11:00 am to 11:45 am time slots. Students are required to pick one of the following options for each time slot (a total of two workshops). We recognize that all transfer students are not alike. As a result, we offer a range of workshops to meet the needs of students who have transferred to SBU after one semester to workshops for students who have been away from college for several years. Please read all options and choose the best ones for you.

New Transfer, New School, New Information
Theater
*Students registered in ADV 101 should NOT attend this workshop.*
The Academic and Pre-Professional Advising Center and the Transfer Office will review important academic information that will help you with your transition to Stony Brook.

Internships for Undergraduate Students
Lecture Hall 2
Undergraduate internships allow students to “test drive” the profession they are interested in. Having experience gives you an edge and makes you stand out in the job market. Learn about opportunities, programs, and the search process.

Health Care Professions
Lecture Hall 1
An overview of the School of Health Technology and Management, the School of Nursing, and the School of Social Welfare. Learn about the various programs that Stony Brook has to offer, and explore the challenges and opportunities associated with the health-care field.

Getting Involved: Student Clubs and Activities
Chapel
Discover all that Student Activities has to offer. Learn about student life, the many clubs and organizations we have on campus, and ways to get involved.

“So, You Want to Go to Medical School”
Room 301
How can you be sure you want to be a doctor, a dentist, a veterinarian, an optometrist, or a podiatrist? This presentation gives pre-medical students the answers they need to ensure future success.

Study Abroad and Exchange
Room 101
An academic experience abroad is an experience you won’t soon forget! Learn about a variety of opportunities to study overseas while earning credit toward your degree.

Computing at Stony Brook
Room 102
Learn about the various computing resources that are available, including e-mail, personal Web space, and Blackboard, the Web-based course management system that Stony Brook faculty use to post course information.

Find Your Class Building Tour
Meet in Theater Lobby
Current students and staff will provide a brief tour of the Academic Mall and surrounding buildings where undergraduate courses are located. It is encouraged that new students bring their schedules.

Commuter Campus Bus Tours
Meet in Main Lobby
Join Commuter Student Services for this mobile workshop that will give you an opportunity to learn about and visit various campus locations that will be particularly helpful for you as a commuter student, such as parking lots, bus loops, and central buildings around campus. Additionally, at this workshop you will be able to ask any questions you have, both about commuting to Stony Brook, and about campus involvement and the student experience, in general!
