

Stony Brook University
Department of Political Science
MA in Public Policy 2021 Online Winter Courses

POL 501.30 Introductory Statistics

Instructor: Justin Dollman	Location: Online	Dates: 1/5/2021 to 1/23/2021	Time: Asynchronous
--------------------------------------	----------------------------	--	------------------------------

Course Description:

This course acquaints student with statistics. It begins with the basics of applied statistical analysis, including probability and hypothesis testing, and builds to simple regression analysis. Requires use of computer packages.

POL 516.30 Storms & Seas: Coastal Land Management

Instructor: Richard Murdocco	Location: Online	Dates: 1/5/2021 to 1/23/2021	Time: Asynchronous
--	----------------------------	--	------------------------------

Course Description:

Many areas of the world, like Long Island, are surrounded by water and are vulnerable to increasing weather-related threats and sea-level rise. This course dives into the challenges related to public policy design and implementation as climate changes force planners to consider novel solutions to increasingly complex situations.

POL 537.30 Admin Law for Policy Analysts

Instructor: Juliette Passer	Location: Online	Dates: 1/5/2021 to 1/23/2021	Time: Tuesdays 7:00pm-8:00pm
---------------------------------------	----------------------------	--	---

Course Description:

This course examines the role of administrative law in the formulation, implementation and evaluation of public policy. The role of legislation such as the Administrative Procedures Act is explored. Actual cases are analyzed, as well as the broader set of precedents that have emerged in federal, state, and local administrative law proceedings.

Course Note:

This course has synchronous and asynchronous course components.
