Welcome!

In 2014, Governor Andrew M. Cuomo set a 30% MWBE utilization goal in State contracting opportunities. In Fiscal Year 2019-20, the utilization rate for Minority and Women-Owned Business Enterprises (MWBEs) participating in State contracts increased to 29.51% - the highest in the nation - with MWBEs awarded $3.14 billion in State contracts!

Our Division aims to meet or exceed this goal through the promotion of equality of economic opportunities for MWBEs and the elimination of barriers to their participation in New York State contracts. We will provide customers with exceptional service, integrity, and accountability using both proven and innovative methods.

This “Certification Made Easy” presentation is designed to aid MWBEs in how to best approach the NYS MWBE certification application process.

As always, we look forward to continuing to welcome MWBEs as a New York State certified business!
