ARTS AND SCIENCES SENATE STANDING COMMITTEE
UNDERGRADUATE CURRICULUM
2023/2026

**Charge:** The A&S Undergraduate Curriculum Committee (ASCC), which shall have authority over all proposals to introduce, revise, or terminate undergraduate courses, majors, and minors offered in areas in the A&S Senate Constituencies (ASC), which included the College of Arts and Sciences, the School of Marine and Atmospheric Sciences, and the School of Communication and Journalism. The ASCC shall review general education requirements and courses. It shall determine the applicability of courses to degree requirements. It shall establish guidelines for cross-listing of courses, for independent study and research courses, for internships, and for undergraduate teaching practica. It shall review and report to the Arts and Sciences Senate its decisions for changes in undergraduate degree requirements, and shall review and approve the content of the ASC sections of the Undergraduate Bulletin. It shall participate in the administrative review of departments or programs in which external reviews of undergraduate programs in the ASC are mandated. It may also consider other issues of undergraduate curricular import. The Undergraduate Curriculum Committee shall have a secretary, appointed by the Dean of the College of Arts and Sciences in consultation with the Committee and the deans of included Constituencies.

Role, Scope, Priority, Approach

→ responsibilities:
  ▶ Massive and increasing workload

→ priorities:
  ▶ Curricular mandates from SUNY, SBU

→ limitation:
  ▶ E.g., vertical and horizontal curricular alignments
Efficiency

- Review in teams – depth and relevant expertise
- Breakout rooms – before full committee deliberation
- Track notes, decisions – for Provost’s office (bulletin update)
- Recording by members and communication of decisions by chair
Transparency

- **Forms**: Guidelines, portals, and (CELT) resources linked
- **Submission & Review Checklist** – Senate approved, published
- Records, documents, resources – updated, organized, published
- State and federal regulations – addressed by review guidelines
Support

△ Resources
  ▪ CELT resources
  ▪ Submission forms and instructions
  ▪ Guidelines/checklists
  ▪ Reports/records
  ▪ Materials, relevant references

△ Consultation with Chair (in more complex, unique cases)
△ Communication, feedback
Areas for further improvement…

- Emerging areas: e.g., online education – need clearer guidelines
- Coordination – on issues like SBC, cross-listing…
- Unique “courses” – creating practical guidelines
- Recruitment of members – needs institutional attention
- Retention of student representatives – needs discussion
How You Can Lighten this Committee’s Massive Workload

- Adapt the CELT template (recommended) as needed
- Check off the relevant “checklist” items for what you’re submitting
- Go deeper into the linked resources to submit complete proposals
