Cohort Leave of Absence or Return from Absence Form

Submit this completed form to SPD no later than the tenth day of the scheduled class for each term in which you will not be enrolling, or for when you are resuming your studies with your cohort. Forms received after this date will subject the student to financial liability if taking a leave of absence; or prevent enrollment for the desired term if resuming studies.

- Cohort students will be automatically enrolled by SPD **each term** into each course of the cohort program.
- The last day to add or drop a course without financial liability is **Day 10** of the term. Note: "Day 10" is the tenth day counting from the first meeting of the class (does not include weekends).
- Missed courses will need to be made up by enrolling in on-campus or online course offerings.
