## HOST YOUR EVENT HERE

With its central location on Stony Brook University's Academic Mall, the Student Activities Center (SAC) is a popular gathering spot for students, faculty, administrators and visitors to campus. Our venues and services are available to both the campus and external communities for a wide variety of events, including lectures, conferences, movies, concerts, competitions, vendor showcases and exhibits, ceremonies and receptions.

The SAC has many amenities, among them, a coffee shop, bank, ATMs, wireless Internet and dining facility. The building, which exceeds Americans with Disabilities Act standards, offers multiple wheelchair access points and all-wheelchair-accessible spaces.

For last-minute needs, the lower level of Frank Melville Jr. Memorial Library, located a short distance from the SAC, is where you can purchase apparel and tech supplies and find printing and shipping services.
