Specifications:

- Any lamps or other lighting need to be CFL or LED. These bulbs operate at a lower temperature and pose less of a danger!
- Roll, string, or tube and other decorative lights may be placed on walls that do not have windows or egress doors (i.e., bathroom doors, room doors, apartment/suite doors) or transition thresholds (e.g., between the kitchen and living room in apartments). Lights must be hung flush against the wall and cannot inhibit movement. No lights may be hung from ceilings or from one wall to another. Only one light unit per wall is permitted.
- Any and all multi-plug devices (e.g., surge protectors) must be surge protected and be resettable (i.e., not a single use surge protector). Extension cords are strictly prohibited.
- Upholstered furniture must meet California Technical Bulletin 117 (CAL 117) standards. The furniture must have a tag affixed to the item clearly showing it meets CAL 117 standards and must be approved by Campus Residences staff.
- Non-upholstered furniture must be metal or plastic.
- All non-university provided furniture must be appropriately sized for the space. No personal furniture can impede movement or egress. Furniture that compromises safety is subject to removal even if it meets all other standards. University provided furniture may not be removed from a space to accommodate personal furniture.
- Bins, bookcases, drawers, racks, storage containers, and television stand, must be metal or plastic. Small fabric storage bins are permitted. All items must conform to the standards outlined in V.E.2.
- No furniture may be stacked on top of another piece of furniture.
- Beds, desks, and dressers are not permitted in common areas of suites or apartments.
- University-owned furniture that is placed in public areas (including, but not limited to: lounges, recreation rooms, and classrooms) cannot be removed from assigned spaces and are prohibited in any resident apartments, rooms, or suites.
- Mattresses not issued by the University, including air mattresses or other temporary bedding, are prohibited.
- Mattress pads must be cotton, polyester, or a blend of each.
