Meet the Tutors!

RESIDENTIAL TUTORING CENTERS
FALL 2020

NAME: Xinyi Nam (she/her/hers)
YEAR: Junior
MAJOR: Electrical Engineering
TUTORS: PHY 121,125,131,141; MAT 125,126,131,132, AMS 151,161
BIO: Xinyi enjoys playing piano, singing, solving riddles and puzzles, and reading in her spare time. Her favorite part about working at the Residential Tutoring Centers is being able to help other students while being introduced to various ways of thinking and learning how to communicate better.
FUN FACT: Xinyi is on e-board for the Solar Racing Team and the Society of Asian Scientists and Engineers (SASE) on campus!

NAME: Shiva Vummidi (he/him/his)
YEAR: Junior
MAJOR: Biochemistry
TUTORS: MAT 125,126,131; AMS 151; CHE 321,322,331,332
BIO: Shiva enjoys writing, working out, and doing research on campus. He loves working at the RTCs because he can always learn from multiple perspectives and learning styles, and working with many tutees in one session helps him improve the way he communicates with them.
FUN FACT: Shiva is a biochemistry enthusiast and cannot stop talking about amino acids.

NAME: Natalie Dzikowski (she/her/hers)
YEAR: Junior
MAJOR: Biochemistry
TUTORS: CHE 129,131,132
BIO: Natalie loves lifting weights and baking, and she admits she has a bit of a coffee addiction. Her favorite part about working at the Residential Tutoring Centers is that it exposes her to the different ways students learn. She’s looking forward to the RTC team extending their work to an online format!
FUN FACT: Natalie is also a UGTA for BIO 202.

NAME: Matthew Xie (he/him/his)
YEAR: Junior
MAJOR: Biochemistry
TUTORS: CHE 129,131,132
BIO: Matthew likes working at the RTC, because he enjoys helping students learn, and finds it very rewarding to see them reach academic goals. Outside of the classroom, he like working out and playing basketball.
FUN FACT: Steak is his favorite food.
Meet the Tutors!

RESIDENTIAL TUTORING CENTERS
FALL 2020

NAME: Mike Wahl (he/him/his)
YEAR: Junior
MAJOR: Physics and Applied Math
TUTORS: PHY 121,122,125,126,127,131,132,141,142
BIO: Mike is a D&D Dungeon Master and a member of the PC master race. He spends his free time throwing plastic dinner plates at chain baskets, also known as disc golf. He likes meeting and getting to know new people at the Residential Tutoring Centers.
FUN FACT: Mike was once chased by a brown bear.

NAME: Ramya Nadendla (she/her/hers)
YEAR: Junior
MAJOR: Biology
TUTORS: CHE 129,131,321,322
BIO: Ramya loves watching movies, meditating, exercising, and touring New York City with her friends in her free time. Her favorite part about working for the Residential Tutoring Centers is working with students from different backgrounds and different academic levels because it allows her to tailor her tutoring style to fit the needs of each student which helps her discover new ways of tutoring and diversifies her strengths.
FUN FACT: Ramya earned a medal in Kindergarten for being the best singer in her class (she doesn't sing anymore nowadays).

NAME: Stanley Wong (he/him/his)
YEAR: Junior
MAJOR: Computer Science
TUTORS: MAT 123,125,126,127,131,132; AMS 151,161
BIO: Stanley is a Junior majoring in Computer Science. This is his second year working at the Residential Tutoring Center.
FUN FACT: His interest is programming!
Meet the Tutors!
RESIDENTIAL TUTORING CENTERS
FALL 2020

NAME: Terrance Leung (he/him/his)
YEAR: Senior
MAJOR: Biomedical Engineering
TUTORS: CHE 129,131,132,321,322
BIO: Outside of academia, Terrance enjoys reading about self-improvement and short stories. Occasionally, he would watch cooking videos in his free time as an attempt to improve his skills in the kitchen. His passion for the Residential Tutoring Center comes from seeing others improve from a week to week basis.
FUN FACT: He plays Ultimate Frisbee.

NAME: Manjot Singh (he/him/his)
YEAR: Junior
MAJOR: Civil Engineering
TUTORS: PHY 121,125,131,141
BIO: Manjot is an extreme basketball fan and enjoys exploring nature. His favorite part of the Residential Tutoring Centers is coming across so many different types of students and being able to guide them to the path of academic success. He enjoys having long conversations about anything and everything, and learning from each other.
FUN FACT: Manjot’s watched the Office 5 times (and continuing).

NAME: Hiuyu Au (she/her/hers)
YEAR: Junior
MAJOR: Biology
TUTORS: CHE 129,131,132,321,322
BIO: Hiuyu is a pre-health student who hopes to one day participate in Doctor without Borders. Her hobbies include eating, going on hikes, and binge-watching Netflix. Her favorite part about working at the RTC is being able to work with her wonderful co-workers.
FUN FACT: She is afraid of bikes (both riding one and other bikers).

NAME: Aditya Iyer (he/him/his)
YEAR: Junior
MAJOR: Biochemistry
TUTORS: MAP 103; MAT 123,125,126,127,131,132; AMS 151,161
BIO: Aditya loves to read, listen to different styles of music and enjoy the outdoors. His favorite thing about the RTC is being able to meet new students every week and help them learn and grow. He is excited for a fun year ahead.
FUN FACT: Aditya can speak/understand 5 languages.
