PREAMBLE

The Department of Student Engagement and Activities (hereinafter referred to as “SEA”) is responsible for the oversight of the fraternity and sorority community at Stony Brook University (hereinafter referred to as “SBU”). Its primary duty is to serve the student organizations already established at the University and ensure all registered organizations receive equitable and sufficient access to resources and support. SEA reserves the right to restrict expansion of the fraternity and sorority community (hereinafter referred to as “F&S community”) based on a variety factors, including but not limited to professional staffing levels, risk management concerns, and overall needs of the F&S community. The University does not support open expansion. These policies and procedures are reviewed periodically and are subject to change.

I. DEFINITIONS

A. Expansion: The process through which an Inter/National organization is invited to establish a chapter at SBU’s campus.

B. Reactivation: The process through which an Inter/National organization that was previously established on SBU’s campus is invited to re-establish a chapter.

C. Letter of Interest: A letter from an Inter/National headquarters expressing their interest in either expanding or re-activating at Stony Brook University. The Letter of Interest section (pg/s. 6-7) outlines information that should be included.

D. Recognition Proposal: A packet of information submitted by an Inter/National headquarters for review by the Recognition Committee. Proposals may be formatted as the organization sees fit, but should contain information outlined in the Recognition Proposals section (pg/s. 3-6).

II. FRATERNITY/SORORITY RECOGNITION COMMITTEE

The Fraternity & Sorority Recognition Committee shall review and manage all matters pertaining to potential expansion as they relate to the SBU F&S community. The committee is charged with determining a recommendation to accept, deny, or defer recognition proposals. All decisions require final approval from the Vice President for Student Affairs and Dean of Students (hereinafter referred to as VPSA/DOS) or their designee. The committee is chaired by the Assistant Director of Fraternity & Sorority Life (hereinafter referred to as the “AD for FSL”) or their designee and includes:

➢ The IFSC President, or their designated IFSC Executive Board member
➢ Two Stony Brook University faculty or staff members selected by the chair
➢ 4 chapter presidents (or designated members) from current chapters/colonies. Representatives must reflect at least 4 of the 7 established fraternal governing councils. These 4 positions are in addition to the IFSC President, or their designated IFSC Executive Board member
➢ Additional staff of SEA may be selected to serve in an ex-officio capacity when deemed necessary by the chair, but shall not hold voting rights

*The Committee Chair reserves the right to approve/deny the eligibility of those who serve on the committee based on a variety of factors including but not limited to:
➢ Individual/Organizational status and standing at the University
➢ Balance of representation between the fraternity and sorority community

A. Duties of the Fraternity/Sorority Recognition Committee

1. Determine if it is an appropriate time for fraternity/sorority expansion, and if so provide a timeline for such
2. Maintain a record of Letters of Interest from Inter/National Headquarters
3. Obtain Recognition Proposals and review materials from Inter/National Headquarters
4. Determine a timeline for reviewing proposals
5. Coordinate campus presentations (if applicable) for select invited Inter/National Headquarters
6. Provide VPSA/DOS or their designee with a recommendation on what organization(s) to invite to campus, if any

B. Fraternity/Sorority Recognition Committee Process & Procedures

Once per academic year the Fraternity & Sorority Recognition Committee will convene to recommend whether it is an appropriate time for expansion in the F&S community. All decisions require final approval from the VPSA/DOS or their designee. As stated earlier, the University does not support open expansion. Additionally, in instances where University policy or practice is incongruent with that of an Inter/National Headquarter/s, University decisions take precedence.

1. The committee will consider the following factors when determining a recommendation as to whether it is an appropriate time for fraternity or sorority expansion:
   a. Recruitment trend data
   b. Health of current colonies and/or chapters, and councils. Health will be defined as membership size relative to the average fraternity/sorority size, in addition to status with regard to meeting/exceeding University standards
   c. Current conduct trends within the community
   d. Current invitations to expand/reactivate (if any)
   e. Staffing levels of SEA
   f. Representation of diverse populations in the F&S community

2. If the University designee determines it is not an appropriate time (via a simple majority vote) for fraternity/sorority expansion, the following procedures will occur:
   a. SBU will be considered closed to fraternity/sorority recognition proposals
   b. The University designee will provide a written statement explaining their decision
      i. The statement will be provided to current fraternity and sorority presidents
      ii. The statement will be provided to any Inter/National Headquarters staff members that inquire about expanding/re-activating at SBU’s campus
   c. The committee will reconvene the following academic year to reevaluate the potential for expansion
   d. The committee will continue to maintain Letters of Interest from Inter/National Headquarters

3. If the University designee determines it is an appropriate time (via a simple majority vote) for fraternity/sorority expansion, the following procedures will occur:
   a. Stony Brook University will be considered open to fraternity/sorority recognition proposals
   b. The committee will convene and determine deadlines for receiving and reviewing proposals
   c. The committee will contact Inter/National Headquarters with current Letters of Interest on file and invite them to submit expansion/reactivation proposals
   d. The committee will review proposals. Following deliberation, the committee will review and may or may not determine a list of potential new organization finalists
   e. The committee may decide not to invite any Inter/National organizations to campus based on their proposals
   f. The committee may then choose to either solicit other Inter/National organizations for submissions, or may end their search with no planned expansion. If the committee ends their search, SBU will be considered closed for fraternity/sorority recognition proposals.
   g. The committee reserves the right to host on-campus visits when deemed appropriate.
      i. On-campus visits may consist of the following:
         1. Meeting between the committee and Inter/National Headquarters representatives
         2. Meeting between available governing council executive board, chapter leadership, and Inter/National Headquarters representatives
         3. Meeting between SEA Staff and Inter/National Headquarters representatives
         4. Meeting between key constituents and Inter/National Headquarters representatives
         5. A presentation open to any SBU students, staff, and faculty
         6. A tour of campus
      ii. The committee may solicit feedback from attendees of each campus visit meeting/presentation to be used during deliberations
      iii. The committee reserves the right to add/remove meetings to campus visits
   h. Once the committee believes they have sufficient information on all potential finalists, they shall make a recommendation on which Inter/National organization(s) should be invited to campus, if any
   i. The committee will recommend the organization(s) to be approved to the VPSA/DOS, their designee. Upon approval, the committee will provide a set timeline for start of on-campus activities. The University reserves the right to schedule inclusion of new organization(s) on a timeline they deem fit. The AD for FSL, or their designee will notify the Inter/National organization contact with the invitation and preferred timeline for expansion/reactivation. The organization will be asked to file a local constitution, list of officers, and faculty/staff advisor with SEA and will be moved to full recognition status, thus affording them all the rights and responsibilities of registered clubs and organizations. To gain full University recognition new fraternal organizations must reach and maintain a roster of at least 5 active members.
   j. Those not selected or deferred for recognition will be notified by the chair of the committee or their designee upon final decisions being made.
   k. After recommendations are made, SBU will be considered closed for expansion. The committee will determine a future date to reconvene to recommend the next appropriate time for expansion, with approval from the VPSA/DOS, or their designee.

III. REQUIREMENTS FOR FRATERNITY/SORORITY RECOGNITION

Fraternities and Sororities that wish to establish/reactivate on Stony Brook University's campus must adhere to this policy. SBU does not permit new, local fraternities or sororities to gain recognition as registered student organizations. SBU does not recognize citywide, regional, or metropolitan chapters and thus, all chapters must be based and chartered exclusively at SBU. Each fraternity and sorority must have a sponsoring body on the National or International level which is a legal corporation external to the University. It is highly preferred the organization is affiliated with a national fraternal umbrella organization (NALFO, NAPA, NIC, NMGC, NPC, or NPHC). Additionally, recognized and registered fraternities and sororities must limit membership to currently enrolled students at SBU. The Fraternity/Sorority Recognition Committee, and the AD for FSL or their designee are responsible for providing a formal recommendation on all matters pertaining to expansion. All decisions require final approval from the VPSA/DOS or their designee.

Students that wish for a particular fraternity or sorority to be recognized on Stony Brook University's campus should reach out to Inter/National headquarters staff members and ask them to submit a Letter of Interest.
