Disability Support Services Spring 2018 Final Exam Schedule

Scheduling Final Exams at DSS:

Requests for Final Exam appointments at DSS must be made by **April 23rd** to guarantee a seat. Students are responsible for contacting their professors to inform them of their exam times. All exams begin at 8:00AM, 11:00AM, 2:00PM, or 5:00PM, without any exceptions. Additional time will not be provided for students who arrive late.

University policy states that **students are responsible for scheduling classes so that their exams do not overlap**. This includes common exams and extended time provided by DSS. If you have two or more overlapping exams, it is your responsibility to discuss alternative arrangements with your professors before **April 23rd**. Any changes after **April 23rd** cannot be guaranteed. DSS can only provide alternate appointments with professor's approval.

DSS does not proctor exams on Saturday. Students in classes with Saturday exams are still entitled to their accommodations and must arrange alternate accommodations with their professors.

If your class has **3 hour final exams** (usually HNI, HWC, HAN) it is your responsibility to contact DSS before **April 23rd** to make alternate arrangements to take your test.

DSS does not provide additional time for the 15 minutes of "exam administration" the university schedules for 8:00AM or 2:15PM exams. We will take care of setup before you arrive.

If you cannot find your class's scheduled times on the chart above, consult your syllabus or talk to your professor about when the exam should be scheduled. DSS will seat you during the closest block available.
