GLOBAL EMERGENCY SERVICES

MEDICAL EMERGENCY SERVICES*

Medical Consultation, Evaluation & Referral
The SES Operations Center is staffed by trained, multilingual assistance personnel who can make immediate recommendations for any emergency situation.

Medical Monitoring
SES maintains regular communication with patients, their families and attending medical staff, closely monitoring the quality and course of treatment.

Emergency Medical Evacuation
If appropriate care is not available, SES will safely evacuate the member to the nearest facility that meets our rigorous standards.

Foreign Hospital Admission Assistance
SES fosters prompt hospital admission by validating the member’s health insurance or advancing funds as needed to the hospital.

Medical Repatriation
When deemed medically necessary, SES provides transportation home or to a specified health facility with a medical or non-medical escort as required.

Prescription Assistance
When a prescription is lost or left behind, SES works with the prescribing physician and a local pharmacy to replace the member’s medicine.

NON-MEDICAL EMERGENCY SERVICES*

Compassionate Visit
SES will arrange and pay for a loved one to join a member who is traveling alone and is expected to be hospitalized for more than three days.

Care of Minor Children
If an injured member has minor children left unattended, SES will pay for them to return home to a family member, or will arrange childcare locally or at home.

Return of Mortal Remains
In the event that a member passes away, SES will arrange and pay for the required documents, remains preparation and transport to bring the mortal remains to a funeral home near the member’s place of residence.

Security, Political Emergency and Natural Disaster Evacuations
SES will evacuate a member to the nearest safe haven in the event a security, political or natural disaster emergency leaves the member’s location uninhabitable. Once the danger has cleared, repatriation home or back to the destination from which the students were evacuated.

Return of Vehicle
If a member’s vehicle, still in working-condition, is left away from home as the result of a medical emergency, it will be brought home safely via ground transportation.

Emergency Trauma Counseling
SES provides emergency telephonic trauma counseling, with follow-up referrals to qualified counselors either at the location of the incident or upon return home.

Lost Luggage & Document Assistance
SES works with airlines to recover lost bags, and replace lost travel tickets. We contact necessary agencies to solve issues of lost passports and other documents.

Interpreter & Legal Referral
SES can recommend trustworthy legal counsel and interpreter services in any country.

Bail Bond Coordination
SES will assist in coordinating bail bond, wherever legally permissible, as required by the member. The sources of the funds is the responsibility of the member.

Emergency Cash Coordination
SES will assist in coordinating the transfer of emergency cash to a member, provided that the member has a verifiable travel emergency and is without access to financial resources. The sources of the funds is the responsibility of the member.
