Rx Savings
Our valued plan members and their covered dependents can save on prescription medications at over 60,000 pharmacies across the nation including CVS, Walgreens, Rite Aid and Walmart. This Rx discount is offered at no additional cost, and it is not insurance.

Dental Network Information
To find providers near you, visit our website at www.firstRSL.com. Click on "Find a Dentist" to access our online directory and follow the step-by-step instructions.

Your provider network is Classic Network.
Pretreatment
While we don't require a pretreatment authorization form for any procedure, we recommend them for any dental work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate to our customer relations department. We'll inform both you and your dentist of the exact amount your insurance will cover and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.

Late Entrant Provision
We strongly encourage you to sign up for coverage when you are initially eligible. If you choose not to sign up during this initial enrollment period, you will become a late entrant. Late entrants will be eligible for only exams, cleanings, and fluoride applications for the first 12 months they are covered.

This form is a benefit highlight, not a certificate of insurance. The coverage outlined here highlights the benefits available through First Reliance Standard Life, and does not include exclusions and limitations. For details on exclusions and limitations, or a complete list of covered procedures, contact your benefits coordinator.
