When we have enrolled you in insurance you will receive an automated email from notifications@uhcsr.com Follow the instructions in that email. We have attached screenshots below to assist in setting up your account.

Creating Insurance Account:

1) Go to: https://myaccount.uhcsr.com

2) Click on Create Account

3) Enter First name, Last Name, Date of Birth, and email address or SOLAR ID

4) Go to your email inbox and review Web ACCOUNT Information email to
retrieve the Verification Code that will be sent and enter it in the box that will appear.

5) Create login name and password

6) Login to your account
7) You will then be logged into your Dashboard. Please become familiar with the tools available here. You will also find your ID card which you should print and email to yourself.
