

FACULTY/STAFF PARKING UPDATE • FALL 2020

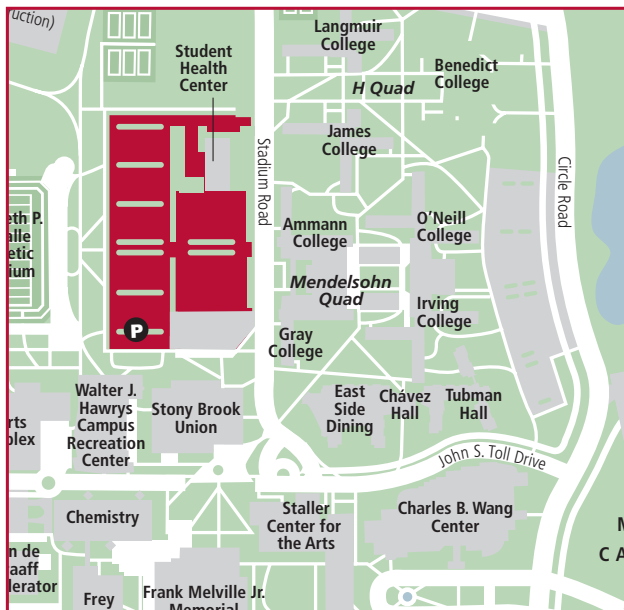

As of August 12, 2020

Due to COVID-19 restrictions and guidelines, modifications have been made to parking locations for faculty and staff on West Campus. With an estimated 60% fewer staff and faculty expected on campus this fall, these changes should not impact your ability to park near your work location.

All Faculty/Staff parking locations will be clearly marked with new signage.

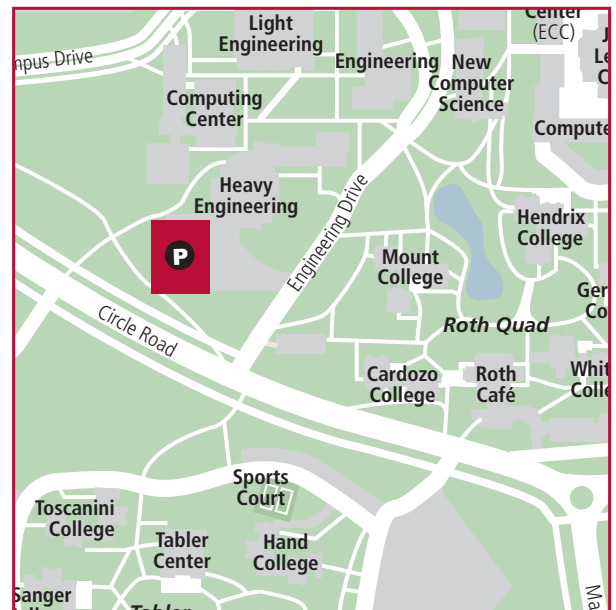

NEW PARKING LOCATIONS

Faculty/Staff parking areas are indicated in **RED**.

STADIUM PREMIUM LOT

- + 289 spaces
- Located off Stadium Road

HEAVY ENGINEERING METERED LOT

- Tabler Lot (allocated to Commuter students)

All other existing Faculty/Staff parking lots remain open and available.

Facilities & Services will continue to review and optimize parking allocations throughout the semester and will adjust available spaces as needed.
