Definitions:

1. Basic Call: is defined as a call taken by a Travel Helpline afterhours agent whereby the caller requests information that may or may not result in the creation, review or change to a booking record (PNR). If a call results in Travel Helpline creating, reviewing or changing multiple PNRs, during the same call, each PNR reviewed or created is considered a billable call transaction.

Ex) After hours call where airline ticket is issued = \$16.25 + \$12.25 = \$28.50 total service fee

2. Tickets: can include e-tickets or ticketless tickets.
