To reserve your space in the upcoming class, log in to your SOLAR system account to:

- Accept your official offer by May 1st
- Pay your $150 Tuition Deposit*
- Pay your $200 Campus Housing Deposit *(if applicable)*
- Pay your $300 Orientation Fee

*EOP Students are not required to pay deposits but must Accept/Decline the EOP Admissions Offer in SOLAR.

Check your email for more information regarding undergraduate colleges.

Once your deposits are processed, you will receive access to submit your Undergraduate College preferences. This form should be filled out as soon as you receive access, but no later than May 5th.

Log in to SOLAR to confirm your preferred email address, current mailing address, and phone numbers under "Security and Personal Data". Be sure to check ALL THREE are up to date to ensure we send your registration information to the correct place.

Click on "Financial Aid" in SOLAR to accept/decline your awards in SOLAR.

Starting in April, you will be sent an email with your NetID about 3 days after you submit your deposits. This will serve as your single sign-on login for many University systems, including the campus housing portal and your SBU email.

Under "For New Students" in SOLAR, fill out this form (available in May) to provide your academic advisors with important information and report any AP scores and/or transfer credits. The deadline to complete your advising planning form is May 27th.

After your advising Planning Form is submitted, take any & all required placement exams prior to advisement & registration. Exams should be taken in May, however, the deadline to complete all placement exams is June 17th.

After you receive your NetID, you must submit all immunization & vaccination records to the Wolfie Health Portal immediately to have optimal selection of classes.

You will be able to apply for campus housing and select your meal plan in a Campus Housing Portal. You will receive an email with specific dates and deadlines when the portal becomes available.

Consists of 6 modules and focuses on getting to know Stony Brook, including academic readiness, financial responsibility, and campus life. All new students (first-years and transfers) should complete Part 1 by June 1 or within 2 weeks of acceptance and deposit.
After you graduate from high school or complete your semester at a college or university, you must send your official transcripts. If you have taken AP Exams and/or college courses in high school, you must request official score reports or transcripts to be sent to us as well. These are not only required to complete your file but are also necessary for advising and registration purposes.

Stony Brook requires all full-time students to have comprehensive health insurance and provides a plan for purchase by those who do not currently have such a plan. If you already have health insurance, you must apply for a health insurance waiver on SOLAR under “Student Financial Services” or you will be automatically billed for SB's plan.

You will be emailed by an advisor to set up an advising and registration appointment.

SAVE THE DATES

Welcome Week: August 14-21
- New students will partake in workshops and activities on campus throughout this week to ease the transition to SBU.

Fall Semester Begins: August 22
- Classes begin for all new students. Check the SBU Academic Calendar for more important dates.
