

## PARKING ON CAMPUS

If you park on campus, your vehicle must display a valid parking permit, and be operated within the guidelines specified by the Stony Brook University (SBU) Parking Rules and Regulations. A legal parking space is defined by 2 parallel lines. Please refer to the map inside for information on parking lot locations.

## OBTAINING YOUR PERMIT

Permits are acquired on-line at our website: [stonybrook.edu/parking](http://stonybrook.edu/parking) or in person at the Stony Brook campus.

- You will need your Southampton ID card (Stony Brook ID Card) and the Department of Motor Vehicle Registration in order to complete the application process.
- Only one parking hangtag will be issued per employee/student.
- The permit belongs to the individual and not the vehicle, so you can move the hangtag from vehicle to vehicle.
- Only vehicles registered in New York State will be eligible to register and receive a permit via the website. Applicants with non-New York license plates must bring their vehicle registration and Stony Brook ID to Parking Services, located in Suite 207 of the Stony Brook Union on Stony Brook's main campus.
- All permits requested online will be available for pick up on the main campus, or will be mailed to your home address, depending on the option you selected during the request. There is no Southampton pickup location.
- A faculty/staff permit will allow access to faculty/staff parking at both Stony Brook Southampton AND Stony Brook University.
- Southampton commuter and resident students will have commuter parking privileges at Stony Brook University.

## VISITOR PARKING

Visitors to the Southampton Campus may park in any unrestricted lot or space in the main parking lot (Lot A) to the left of the main entrance.

## ADA ACCESSIBLE PARKING

All lots have ADA accessible parking spaces. Only the person who is issued a Disabilities Permit may use it.

## SBU TRANSIT

Stony Brook University operates SBU Transit which provides transportation throughout the Stony Brook, Research & Development Park and Southampton campuses. SBU Transit operates on a variety of schedules, depending on the calendar day. Schedules and up-to-date service information may be obtained by contacting (631) 632-6418 or via our website at [stonybrook.edu/transportation](http://stonybrook.edu/transportation).

## SB ALERT

SB Alert is a communication system used by University officials to provide warnings and emergency information using text, voice, and e-mail messages. Sign up today for this important service in SOLAR—just click on the SB Alert icon.

*Important: Even if you have received emergency messages in the past, you must visit the new page, verify your information, and indicate that you wish to continue to receive emergency alert notifications.*

\* Scheduled Use

## DIRECTIONS BY TRAIN

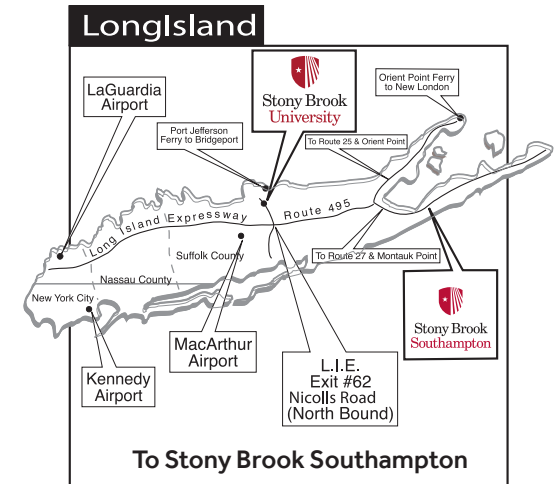

Take the Long Island Railroad's Montauk Branch from Jamaica Station in New York City to Southampton (service from Manhattan's Penn Station to Jamaica runs frequently). The campus is a short taxi ride from the station. For rates and times, visit: [mta.info/lirr](http://mta.info/lirr).

## DIRECTIONS BY CAR

Take I-495 (Long Island Expressway) east to Exit 70, then turn right on County Road 111; follow the signs for State Route 27 East/Montauk - Sunrise Highway. Take Route 27 East and proceed 19 miles to Southampton Campus. Make a right at the traffic light onto Tuckahoe Road. Make a second right at the main entrance.

## SUFFOLK COUNTY TRANSIT

Call (631) 852-5200 for schedules, rates, and routes for commercial bus service between campus and off-campus locations, or visit [sct-bus.org](http://sct-bus.org).

Stony Brook University is an affirmative action/equal opportunity educator and employer. This material is available in an alternative format upon request.
